TECHNICAL RIDER

Members:

Marcus – Guitar, Lead Vocals
Catherine – Cajon, Backup Vocals

Sound:

Backup Vocals shouldn't be too loud.
The Guitar has to be in the mix
If available please add a small amount of reverb/delay to both vocals
Even though we use a Cajon we are a rock band – the Cajon should be mixed like a drum kit, with a punchy kick and snare sound.

Inputs:

1. Lead Vocals
2. Backing Vocals
3. Cajon – Kick (Behind the Cajon)
4. Cajon – Snare
5. Shaker and Tambourine (on Catherine's feet)
6. Guitar
