-

## 5. Monitor preferences

Gerrie (drums)

- Bass guitar
- Rhythm guitar
- Lead vocals
- piano & synths (little bit)

Kasper (bass/vocals)

- Bass guitar (if possible, as little low end as possible)
- Lead vocals (little bit)
- own vocals
- Drums

Otto (rhythm guitar/lead vocals)

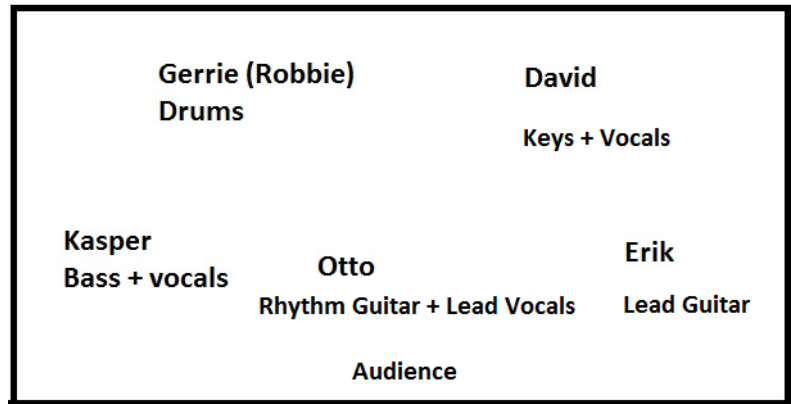

- Lead vocals
- Rhythm guitar
- Drums
- Bass guitar

David (keys/vocals)

- piano
- synths
- Lead vocals
- Own vocals (little bit)
- Bass guitar
- Rhythm guitar

Erik (lead guitar) – *if less than 5 monitors or mixes are available, no monitor required.*

- NO lead guitar (amp = monitor)
- Synths (present but not too loud)
- Piano (not too loud)
- Little bit of Lead vocals
- Larger stages: bit of bass and rhythm guitar

**6. Lights:**

As of now, we don't have a planning for lights. If possible we would like to have mainly red lights, however other colours can be used as well – all according to the taste of the engineer.
